Principal's Phoenix Flyers:

Greetings RAHS Families and Community –

We ended this past week with a couple of wonderful celebrations of our amazing staff members. Friday morning at an all-school assembly **Nik Joshi** was selected as the **Symetra Hero in the Classroom** for the week. Symetra, in partnership with the **Seattle Seahawks** selects outstanding educators from around the Puget Sound area. Mr. Joshi was selected for inspiring and motivating his students both in and out of the classroom to do their best and to succeed. With his passion, dedication and knowledge, Symetra and the Seahawks recognized Mr. Joshi as a hero to his students and his colleagues and also presented him with a \$2,000 check to use for the school. Congratulations on this well-deserved honor!

After school on Friday, we had another surprise award! **Michael Gudor** was selected as one of the **Highline Schools Foundation** Excel grant recipients! Mr. Gudor received this recognition for submitting a proposal for our re-vamped makerspace area and was awarded \$2,500 for much needed equipment and supplies! He now runs zero hour shop class where students can gain valuable hands-on experience. We are super proud of you Mr. Gudor and all you do for kids!

As we enter Thanksgiving week, I would like to personally thank ALL of our staff members for the hard work and dedication they put in for our students every day. I hope you and your families have a wonderful Thanksgiving celebration as we truly do have much to be thankful for.

Happy Holidays!

Therese Tipton
