Principal's Phoenix Flyers:

Greetings RAHS Community!

Congratulations to all of our student award recipients this past week in a variety of categories including Love of Life, Love of Learning, Apollo Academic Letter Awards and Washington State Scholars. Despite technology glitches (apologies to those who could not get in the Zoom meeting), it was such a wonderful time to celebrate all that went well this year and all of the amazing things our students have accomplished. A special congratulations to our **Phoenix Award** recipient, **Max Welliver**, and to the two **Hubble** recipients, **Maya Matta and Nigel Barnett**. We would also like to recognize senior **Abbi Lindo** who amassed an awesome **375 hours of community service!** We apologize for inadvertently not including Abbi in last Wednesday's ceremony. Way to go Abbi!

We are very excited to celebrate our **RAHS Class of 2021** scholars as they enter their last three days of high school. This class is one of our most successful classes in the history of the school with our scholars taking off to universities and military academies all over the United States and earning over **\$4 Million dollars in scholarship money!** Seniors, don't forget that you will all be on campus **June 9** for grad practice and turning in your laptops, etc. We will wrap up the afternoon with our traditional Rose Ceremony to say "thank you" to all of those classmates and teachers who have had a hand in their success. In just less than a week we will be celebrating **in person at Highline Stadium, the Class of 2021 Graduation Ceremony. Congratulations Seniors!**

Have a wonderful week everyone.

This event is for every grad from Raisbeck Aviation HS...together we are better! It's not too late to join the fun! We want all of our RAHS Grads at the party!
