Principal's Phoenix Flyers:

Hello RAHS Families and Community!

Congratulations goes out this week to senior **Owen Teodoro** who completed his check ride and is our newest pilot! Owen has worked incredibly hard and put in so many hours to make this dream a reality. Way to go Owen!

We want to give a huge "thank you" to so many of our industry partners who have been supporting student experiences and opportunities for our Phoenix Friday activities!

- Thank you **Port of Seattle** for the Baggage Tours! We got to see the "under belly" of the airport.
- And thanks Port of Seattle for your 14 year partnership on the Environmental Challenge Project. Juniors kicked off the project this past Friday at the airport!
- Shout out to **King County International Airport** for TWO fun activities. First, students got a first hand look at the Fire and Safety operations and second, the sophomores had a fantastic tour as they kicked off their own PBL with KCIA!
- Re-connected with our **Boeing Employee Flight Association** with a tour of the **Renton Airport**, special astronaut speaker and SIM time. Great fun!
- **Amazon Web Services** opened up their facilities to 9th graders for recent tours, with one more to go!
- A huge thanks to **Junior Achievement Finance Park** - all of our 9th graders took a trip to Auburn and learned about finance decisions in a hands-on environment.
- And a special thanks to **Boeing** as they come on campus this week to interview students for summer internships. It is so exciting to have them back!

Stay tuned for more shoutouts next week!

Therese Tipton
