Principal's Phoenix Flyers:

Hello RAHS Community!

We take a moment this week to celebrate all of our **teachers** during **National Teacher Appreciation Week**. We know that this year, educators have been asked to do more than they could have ever imagined. And yet everyone pulled together for our students benefit, rose to the challenge, and greeted students back in person two weeks ago. Thank you teachers!

This week we also celebrate **Lunchroom Superhero Day** on May 7, recognizing our two new amazing cafeteria personnel, **Miss Marylou and Miss Kelli!** Thanks to you both for joining us this spring and making wonderful breakfast and lunch “to-go” for all of our students.

Congratulations to seniors **Xavier Gagnaire and Iliyan Stoyanov** who were a part of **Boeing's National STEM Signing Day** this past week. We wish you the best of luck at college this fall, pursuing your dreams.

This is also the time of year when we have to sadly say goodbye to folks who are moving on to new adventures in life. This year, we have a couple of teachers who will be pursuing new endeavors - we will be wishing **Ms. Juarez and Mrs. Wilson** happy retirement, saying good luck to **Mr. Stavoe** as he pursues a position closer to home (no more 90 minute commute!) and we will be sending **Ms. Wombold** really good vibes as she pursues her passion for mentoring young people! I am sure you will agree that each of these individuals have made an indelible impact on RAHS, Ms. Wombold since the very first day, and Mrs. Wilson and Ms. Juarez since shortly after that. I am sure you will want to wish them “bon voyage” as we wind down our school year over the next 6 weeks.

Thank you again to everyone who has made these first two weeks back to in-person schooling such a success. Take care and have a wonderful week.

We aren't able to accommodate many changes this year, but we will do our best. *Please don't submit the same request in the form more than once; we check the requests every day and change the classes we can. If we don't change it, it means the requested class was full or there was another conflict.*
