Principal's Phoenix Flyers:

Greetings RAHS Families and Community!

Congratulations to seniors **Mollie Brombaugh, Nick Ankuta and Kaden Barrett!** These students have each received a Letter of Commendation from the National Merit Scholarship Program for their outstanding academic success and exceptional performance on the PSAT/SAT tests. We are all very proud of you!

This past Friday we were so proud to host newly appointed **FAA Administrator Steve Dickson**, along with his team to speak with students about the wide variety of aviation careers available for students to consider in their future. This occasion was another example of the wonderful opportunities that we are so proud to offer students.

Thanks to the wonderful **RAHS PTSA** for organizing our annual auction! Please look out for a family e-mail detailing the many ways you can contribute. Our school truly would not achieve the level of success we have if it were not for all of our parents pulling together as partners for our students.

Have a wonderful week!

Therese Tipton

All Students and Families – Check out our Google Calendar here: This will give you important dates specific to our school. https://docs.google.com/spreadsheets/d/1qRm4lmaBJC936UGDkAjAch_dU0-sm81vOy82K4cl_Q/edit?usp=sharing

All Students and Parents – We will soon launch a new online portal and mobile app to monitor grades, message teachers and make progress. [ParentVUE](#) lets parents and guardians view their child's assignments, grades and attendance, message teachers and view student information. [StudentVUE](#) gives students easy access to assignments, grades and attendance. More information will be coming soon from our Communications office.

All Students and Parents – A reminder that if you have not yet paid your student fees you can pay them with Ms. Keithy or online at [Intouch Receipting](#).

Attention 10th and 11th Grade Females - The Fred Hutch Girls Who Code club runs a session each semester and this fall they will be learning how to code in python and program robots! They also go on at least one field trip to local STEM companies (such as Amazon, Microsoft, Facebook, and Just Therapeutics) each session. Students are eligible to join if they: self-identify as female or non-binary, are a sophomore or junior in high school, can be at the Fred Hutch on **Tuesdays from 4-6 pm, Sept. 24 - Dec. 17** (ORCA cards provided) and are interested in science and/or math! The application closes at 11:59 pm PDT on September 13th. Learn more about the club and keep an eye out for applications for future sessions: <https://www.fredhutch.org/en/about/education-outreach/girls-who-code.html>.

Junior and Students - Interested in pursuing a Math degree in college? Check out the Undergraduate Programs in Mathematics at Kansas State University. The K-State mathematics program is one of the best in the ten state area and in certain respects, among the best in the country. They will do everything they can to facilitate students' study of mathematics at K-State.

[Undergraduate Mathematics Program Poster: https://www.math.ksu.edu/ugrad/prospect/poster.pdf](https://www.math.ksu.edu/ugrad/prospect/poster.pdf)

All Students – Are you interested in **NASA** and the next trip to Mars? If so, join the challenge to name NASA's next mars Rover. Submit your rover name and a short essay (maximum 150 words) here:

<https://mars.nasa.gov/mars2020/participate/name-the-rover/> Be sure to follow all rules, including no personal names in your submission. **The contest closes November 1st.**

All Students - Take hold of your future, and join the **RAHS Ambassador Team**, where we students tour notable VIPs around our incredible school. Some include Dr. James Raisbeck himself, Senator Patty Murray, representatives from top colleges like Embry-Riddle and Purdue, and various industry professionals, from Boeing Managers to Alaska Airlines Pilots. Come to an informational meeting next week! Date, time, and location TBD. If you're interested, please fill out this form! <https://forms.gle/KhokGwHChm2KNPPF6> Even if you've filled it out before please do it again, so we can have a list of all ambassadors for this year. Contact senior Issa Meboe isabellemeboe@gmail.com for questions.

Students! Are you interested in flight simulation? Then we have an opportunity for you! Through a generous partnership, we have several days available in November and December for flight simulator time. There is a sign-up sheet in the Career Center. Once we know the number of students and total slots available, we will narrow down specific dates with plenty of notice. Please see Mrs. Olsen if you have questions.

Students! Are you interested in an internship at the Museum of Flight? It's a volunteer internship for 8-10 hours per week. The intern will gain valuable experience and help with social media scheduling, doing social media for events, formatting emails, and other tasks as needed. Apply at this link! <http://bit.ly/2Mu9MZ6>

All Students! The Prudential Spirit of Community Awards is launching its 25th annual search for exemplary young volunteers. Students fill out applications online and submit them to their principals. Then, schools select their top youth volunteers, present them with certificates, and recognize them as role models. A state-level judging panel selects top honorees and finalists in each state and the District of Columbia. State Honorees earn \$1,000 scholarships, engraved silver medallions and an all-expense-paid trip with a parent or guardian to Washington, D.C. for several days of national recognition events. Hundreds of other state-level honorees receive bronze medallions or certificates. Details are also available at spirit.prudential.com. **The student application deadline is November 5.**

Looking for volunteer opportunities? Come join National Honor Society! We have chapter meetings every month after school in Ms. Wombold's room. Our first meeting is on September 26th after school in Ms. Wombold's room. We participate in events like Northwest Harvest, Blood drives, Christmas Caroling, Youthcare, and so much more. *If you do not want to be a member that is totally fine you are still welcome to come to events with us and make new friends.* If you would like to know more please contact any executive member listed below in the clubs section.

Students – If you haven't taken the Google Survey for your business cards, please remember to do this [here](#).

All Students – The Real World Design Challenge (RWDC) is an annual competition that provides high school students, grades 9-12, the opportunity to work on real world engineering challenges in a team environment. Each year, student teams will be asked to address a challenge that confronts our nation's leading industries. Students will utilize professional engineering software to develop their solutions and will also generate presentations that convincingly demonstrate the value of their solutions. For more information check [here](#).

Students – **NASAO Art Contest** is partnered with the National Association of State Airport Officials and have helped support the International Art Contest. The International Aviation Art Contest will challenge youth people to illustrate the importance of aviation through art. Students between the ages of 6 – 17 may participate. Here is the link to the contest: <https://nasao.org/>

Students – It is time once again to collect applications for the annual **Prudential Spirit of Community Award**. If you have made a difference in your community through volunteer work and would like to apply, you can do so online at <https://spirit.prudential.com/> or see Mrs. Tipton for additional information!
