

# NOTAM Class 08292021 Raisbeck Aviation High School Weekly Student Announcements August 29, 2021

## Principal's Phoenix Flyers:

### *What's happening this week:*

Hello RAHS Families and Community!

Welcome to the first NOTAM (Notice To Air Men) for the 2021-2022 school year. For those of you new to the school, the NOTAM is our official weekly newsletter - you should expect to see important dates, announcements and more each week!

It feels so wonderful to be able to welcome everyone back to school in person this week – and what a fun way to kick off the year with a GREAT PTSA Family Picnic today! It was so nice to see so many families attend, meeting each other and visiting with our fabulous student clubs and teams. Thank you to the **PTSA Board and volunteers, Science Olympiad, AIAA, Green Energy Team, Phoenix Force Robotics, and Turbulence Frisbee**, our many students and staff who attended, and of course – all of our families for coming out on a beautiful day.

We have certainly learned a few things over the past 18 months – a year and a half like no other. We know how vitally important it is that we meet the social and emotional needs of our students along with a focus on strong academics. And we know that connecting students with their passion and purpose – connecting students with hands on project-based learning – is the key to making meaning and relevancy at a high level both emotionally and academically. Our teachers are excited to re-connect and ignite student learning in our classrooms as we ramp up our industry connections, mentor opportunities and internships. How exciting to be once again engaging with our aviation industry partners for the ultimate benefit of our students. So much to look forward to.

This Thursday, **September 2**, marks the **first day of school** for the 2021-2022 year. Just a few reminders – please make sure if you are dropping off or picking up, you enter the campus from 94<sup>th</sup> St at the south end of the school and make a loop north and east, exiting on Phoenix Drive. This will help keep traffic flow going and minimize potential accidents. School begins at 9:00 a.m. every morning and releases at 3:30 p.m. Please note - this Friday 9/3 we will release at 3:30 p.m. but every Friday thereafter we will release at 2:00 p.m. Another reminder e-mail will be sent out later this week.

*We have some new staff faces this year! Please welcome our new office staff member **Sam Clement**, and teachers **Sarah Farrell (Math)**, **Rose Johnson (Humanities)**, **Ji Hea Shin (Chemistry)**, **Erik Heineman (Math)**, **Tom Oldfather (CTE)**, **Darrin Stolz (Math)** and **Josh Porter (9<sup>th</sup> gr SS and Leadership)**. I know you will all enjoy getting to know our staff and the varied backgrounds they bring to contribute to our success.*

Please stop in and say hello if you get a chance! I know I am looking forward to meeting new families and seeing familiar faces. Welcome back RAHS Community!

*Therese Tipton*

**All Highline students will receive free breakfast and lunch for the 2021-2022 school year**, regardless of income level. We are however, encouraging those families who qualify, to fill out the free/reduced lunch form online. <https://apply4meals.highlineschools.org/fma/> And as always, students can bring their own meals from home.

**Students** – If you need to find your bus schedule go to our district website:  
<https://www.highlineschools.org/departments/transportation>

**Students** – On the first day of school you will go to your first period class and will be given a copy of your schedule. We will have student lists hanging outside of the school that will tell you your first period class.

**Students** – If you are requesting a schedule change this must be done online. You can find the links here:
