**January 24 – End of 1<sup>st</sup> Semester**

*Upcoming Events:*

**January 30 – Mentor Social @ 3:30  
in the BPC**

**Principal's Phoenix Flyers:**

Greetings Raisbeck Families-

We made it through the snow week! Thank you **all of our students and families** for your patience and your help during the week. We know it is not easy to change schedules at the last minute and your willingness to be flexible was a huge help. Since we will have to make up the one day missed this week, please look for communication from our district in the near future – the makeup day should be on Tuesday May 26 but stay tuned for confirmation.

Congratulations to Junior **Thomas Kebede** who was selected to the **Harvard Club of Seattle Crimson Achievement Program**. Thomas was one of only 8 students selected district wide for this honor and will be visiting Harvard University this spring.

Congratulations also go out to Senior **Alex Lucero** for the attainment of Eagle Scout rank! Alex is a part of Burien Boy Scout Troup 360. He utilized Cad design to create a privacy gate to solve a foot traffic problem for a local women's shelter. The Hospitality House sends out a huge "thank you" to Alex for his hard work to keep the shelter safe. We are proud of you Alex!

Have a wonderful week everyone!

Therese Tipton

**All Students and Families** – Check out our Google Calendar here: This will give you important dates specific to our school. [https://docs.google.com/spreadsheets/d/1qRm4lmaBJC936UGDkAjAch\\_dU0-sm81vOy82K4cl\\_Q/edit?usp=sharing](https://docs.google.com/spreadsheets/d/1qRm4lmaBJC936UGDkAjAch_dU0-sm81vOy82K4cl_Q/edit?usp=sharing)

**Students – NHS Tutoring available at lunch:** Drop-in tutoring from National Honor Society volunteers is available Monday-Friday at lunch in Mr. Gudor's room, as part of the Phoenix Scholar Society. No appointment necessary – stop by any time!

**Aspiring Pilots!** The AOPA is providing eighty exceptional high school students, ages 15 to 18, a \$10,000 scholarship, thanks to the generosity of the Ray Foundation. The scholarships are a component of the AOPA You Can Fly program, a collection of initiatives working toward building a larger, more vibrant pilot community. Recipients can use the money for direct flight training expenses to pursue a primary sport, recreational, or private pilot certificate. They also must complete a flight training milestone, either achieving solo flight or earning their certificate, within one year of receiving a scholarship. **Deadline is March 1.** Get more info and apply here: <https://www.aopa.org/news-and-media/all-news/2020/january/08/aopa-flight-training-scholarships-open>

### Students

**Fall season athletes:** Your completed online Directed Athletics course must be completed this week! See Mr. Sav right away if you have any questions or concerns. Some assignments require a coach's signature, so don't leave it all for Thursday night!

**Students - Personal Property** – a reminder from our Student Handbook: “We strongly recommend that you leave valuable personal items at home. The school is not responsible for searching for lost or stolen items or replacing them. If you choose to bring such an item to school, do so at your own risk. You are responsible for it; leave valuable equipment and devices at home or be very confident of your ability to keep them safe and secure!”

**Students – Friday dress standard reminder:** RAHS and team spirit wear is encouraged on Fridays, but it is not a “day off” from dress standard. T-shirts are not permitted except for spirit wear, and the rest of the dress standard still applies.

**All Students – Overflowing trash cans:** If you eat lunch in a flex space or classroom, please don't build trash towers in small garbage cans. If the can is full, find another one or bring your trash to the cafeteria. Overfilled trash cans are very hard for our custodians to empty, and often spill onto the floor. Thanks for your help!

**All seniors and Parents: Please save the date for the All Night Grad Party June 11, 2020.** Grad Night Committee needs adult PTSA volunteers to collect paperwork at the school in April during lunch on Mondays and also during the overnight event Thursday June 11 from 9:45 pm to 5:00 am Friday June 12, 2020. Half night options are available for volunteers. Cost is \$100 each student and scholarships will be available upon request for students eligible for free and reduced lunch. More details coming by email and student/parent registration packets will be sent out closer to the event. **This will be a night to remember!**

**Seniors! The Highline Schools Foundation Scholarship application is OPEN!!** We are currently taking applications through February 26. Students only need to complete one application for many scholarship opportunities with awards from \$1,000 to \$26,000! We encourage students to apply today [HERE](#). Students, you can create an account to set up an application. You may complete the application in one sitting – or save your work, log out, and come back later to complete the application. A list of scholarships currently being offered is available [HERE](#).

**Seniors:** Rolls-Royce sponsors the annual **Spirit of Excellence Scholarship** named for the company's passion in demonstrating a pursuit of excellence. This passion is epitomized in Henry Royce's famous phrase "*Strive for perfection in everything you do. Take the best that exists and make it better. When it does not exist, design it.*"

The recipients of the Rolls-Royce Spirit of Excellence Award will be students who meet the following criteria:

- Academic passion that includes Advanced Placement classes as well as courses in engineering, computer skills, or upper level science and math courses
- Active involvement in school activities with an emphasis on citizenship, leadership, creating a positive social culture, and alignment with established school traditions
- Community service that makes a positive impact on the school and/or community and that reflects your passions
- Desire to continue the legacy of Rolls Royce which is to strive for perfection in all you do

Your essay should be a minimum of 500 words. Please address the above criteria and any additional qualifications or experiences that make you a top candidate for the Rolls-Royce Spirit of Excellence Award. In addition, please seek the **endorsement** of two RAHS teachers who can attest to your qualifications. Please ask these two teachers to sign your essay before submitting a **hard copy** to Ms. Carper. Please also submit an electronic copy of your essay to both Ms. Carper and Mrs. Tipton.

**Auction News - Did you attend the auction? Double Your Donation...**by reviewing your company's website to see if your charitable contribution can be matched. Thank you x 2!

**A message from your 2020 RAHS Grad Night Committee:**

We are asking for donated prizes that will be given to graduates on the night of the event. These products are intended to aid graduates and may be used in their dorms, vehicles, or on campus. **(Tax ID: 680594524).**

You may bring your unwrapped gift donations to Mrs. Theda Hiranaka at the front office starting now. Gifts will be wrapped and distributed by random selection to graduates attending the all night party. Gender neutral gift options help make certain everyone gets something they can use. Great ideas are blankets, laptop tables, reusable water bottles, messenger bags, and of course, gift cards, etc! Something to make life easier or more comfortable for our graduates is wonderful. Thank you in advance for your generosity!

We also need **parent volunteers** who will **chaperone the graduates** during the overnight event. The night is divided into two halves. Each shift requires ten (10) parent chaperones. Six positions need to be filled with **all night** volunteers who will ride in the shuttle vans from RAHS and also return to RAHS with their assigned student passengers.

The remaining positions may be half night or, if you choose, sign up for both sessions and party all night with the rest of us! The chaperones not assigned to a shuttle van, but staying all night, have the option of driving themselves to the ProClub or riding in one of the shuttle vans. If you are able to help for one half of the party, please drive directly to the ProClub so you arrive for your shift & are able to leave when it is over. Details will be available on Signup.com. Two (2) chaperones will be tasked with set-up and will need to arrive at 9:45 pm at Bellevue ProClub to deliver chaperone snacks, student gifts, balloons and table decorations.

**The party will be held on Thursday June 11<sup>th</sup> to Friday June 12<sup>th</sup> at Pro Club in Bellevue, 4455 148th Avenue N.E. Bellevue, WA 98007. <<https://www.proclub.com/>>**

**Drop off starts at 9:45 PM at RAHS. Shuttle service departs 10:20 PM sharp and pick up the following morning at 5:00 AM at RAHS lobby. Six (6) Chaperones are needed to ride in the shuttle vans and will need to volunteer throughout the event.**

All chaperones are required to have a Washington State Patrol background check on file with Raisbeck Aviation High School. Please fill out this form. There is no fee.

<https://drive.google.com/open?id=1arfhap5EWj0-9OgrKtLTvAC4rMk3tJ6W>.

When completed, please turn in the form in person as the office is required to verify and make a copy of your Washington State I.D. Call for a fingerprint appointment as soon as you receive the letter requesting to do so. **It takes a few weeks to facilitate clearance for Chaperones.**

Please email us if you are willing to chaperone at [GradParty@rahsptsa.org](mailto:GradParty@rahsptsa.org). We will send you the SignUp.com link for the event. You can pick and choose the times and activities you are willing to support.

**Thank you** for being an important part of our Seniors' graduation and helping us celebrate their success. Congratulations students and parents!
