Stay tuned for what's next!

Principal's Phoenix Flyers:

Hello RAHS Families and Communities –

In these unprecedented times, it is more important than ever to reach out to each other and connect virtually and remotely.

Some of you may live away from family, have been laid off from jobs or are feeling isolated. I encourage each of you to connect with someone else from school and check in on them. And I encourage anyone – student, staff or families, to please reach out to me if you or someone you know needs assistance.

Our PTSA is holding their next general meeting via Webex virtual meeting – the link will be sent via e-mail with the date and time. I hope as many of you as are able to, will join them! A good way to stay connected.

Our ASB is still working hard to select leaders for next year. **9th – 11th grade students** - If you are considering running for ASB class senator, please carefully read the following document: <https://tinyurl.com/RAHSsenatorinfo>
When you are finished reading, fill out the application itself here: <https://tinyurl.com/asbsenatorapp>

Thank you to the parents who have checked in, asked questions and made great suggestions so far. To those of you families in healthcare, the grocery business and other frontline jobs, THANK YOU! Thanks to our students who are working hard and to our teachers who are learning on the fly how to provide relevant and meaningful activities remotely. We have 5 more weeks (minus spring break) so stay strong, stay healthy, and stay connected.

Thinking of you all –

Therese Tipton

All Students and Families – Check out our Google Calendar here: This will give you important dates specific to our school. https://docs.google.com/spreadsheets/d/1qRm4lmaBJC936UGDkAjAch_dU0-sm81vOy82K4cl_Q/edit?usp=sharing

Parents - PTSA Board Needs You! Raisbeck Aviation High School students do some amazing things! Without the support of the PTSA, Phoenix Force Robotics, Science Olympiad, Green Energy Solar Car as well as AP test fee assistance, teacher grants and so much more would not be possible. We need great people to lead the PTSA board to continue all of these great programs! If you have interest in serving on the board for the 2020/2021, please contact Phil Briscoe at president@rahspta.org or Siobain Eschweiler at secretary@rahspta.org.

Parents – Everyone who lives outside of the Highline School District must fill out a **Choice Transfer Request** for your student every year. Please go to <https://eds.ospi.k12.wa.us/ChoiceTransferRequest/> to fill out the request. For instructions on how to do this please check [here](#). The deadline for completing your transfer request is May 1, 2020. For any questions please contact Debi Tranholt at debi.tranholt@highlineschools.org.

Students - If you are considering running for an ASB executive position (president, vice president, treasurer, secretary), please carefully read the following document: <https://tinyurl.com/execinfoasb> When you are finished reading, fill out the application itself: <https://tinyurl.com/asbexecapp>

Attention Current Sophomores and Juniors! Need help **writing applications for college, scholarship, and internship applications**? Reach out to RAHS grads Hong and Nick, who co-founded Take on College. It's an organization dedicated to coaching you through the application process, from the initial brainstorm to the final draft. As recent RAHS grads, we fully understand the ins and outs of everything that you might be worried about. We've coached over two dozen students from seven different states - check out our website for testimonials - and we're completely virtual, so you'll be able to work with us anywhere, anytime. Reach out to us at takeoncollegeseattle@gmail.com Sign up for free feedback at www.tinyurl.com/TakeOnCollegeSignup Visit www.takeoncollege.org

Students – Our Boeing internship paperwork is located on our website: <https://rahs.highlineschools.org/academics/career-center/internships>. Please fill out the paperwork and email to Ms. Olsen at: renee.olsen@highlineschools.org.

Students – Please check your email for your class registration form. If we don't have your form, we may not be able to schedule you into the classes you are requesting for next year. Please email to debi.tranholt@highlineschools.org.

Students - PE contracts during school closure: Rules and requirements for PE contracts have been relaxed during our school closure. Here are the changes, which we hope make it easier for you to start or complete a PE contract while school is closed.

- We will accept parent signatures in place of an outside supervisor for PE contracts
- We will accept emails from a coach/supervisor in place of a physical signature
- We will accept at-home activities like workouts (students can access workout routines, videos, etc. online as a resource for this), neighborhood walking or running, and other options that do not require going to a gym or group gathering
- Students can use the above types of at-home activities to complete a contract that is already in progress, even if they started with a different activity – for example, if a student was going to a local gym, or playing a rec league sport (including Turbulence ultimate), they can complete their remaining contract hours with a personal fitness activity at home
- Contract forms can be submitted via email to Jacob.savishinsky@highlineschools.org
- Contracts can be extended into the summer, but **activity hours** must be completed before school starts up in the fall (contract forms can be completed after we return to school)

This time away from school presents the perfect opportunity to earn PE credit, so please consider starting or completing an existing contract at home. Contract forms are available online at <https://tinyurl.com/rahs-pe-forms>. Feel free to contact Jacob.savishinsky@highlineschools.org with questions about PE credits and contracts any time.
