
2020-2021

— RAHS BACK TO SCHOOL WEBINAR —

Wednesday, September 30

The Sky is NOT the Limit!

Questions?

— Please add questions to the Q & A —
tab. We will monitor and answer as
applicable

WELCOME

Staff Introduction

- Teacher Videos coming!
- Teacher Canvas Pages: <https://rahs.highlineschools.org/academics/teacher-canvas-classrooms>

Mission and vision

- To prepare all students for college, career and citizenship through a personalized, rigorous and relevant learning experience that is facilitated in the context of aviation and aerospace.

School goal

- Staff at RAHS will reflect on and refine school policies and practices to create culturally responsive and anti-racist instructional and interpersonal interactions, using explicit social emotional strategies and project based learning instructional strategies to support student success.

Expectations and Remote Learning

Engaging in classes

Completing work

Wednesday Asynchronous Learning

Advocacy and asking questions

Quarter system and continuum of learning

Progress Reports

Grades

Communication to Families

- **NOTAM**
- Messenger - email, robo call and text
- Synergy & Parent Vue
- Class Canvas

- Remind

 @aviationhhs

Counseling Center

Counseling appointments are available during remote learning! Email katie.carper@highlineschools.org for an appointment.

Ms. Carper can help with:

- Information about fulfilling high school graduation requirements
- Personal counseling for a variety of issues
- College information, preparation, and application help
- Letters of recommendation
- SAT/ACT information
- Planning your student-led conference
- And much more...

Counseling website: <https://rahs.highlineschools.org/academics/counseling-center>

Career Center

RAHS Career Center offers opportunities that will prepare our students for a career in the Aviation and Aerospace Industry.

❖ **Mentor Program:**

- 10th grade students are matched with industry professionals who volunteer as mentors.

❖ **Internship Program:**

- 10th & 11th grade students are encouraged to participate in industry internships.
- 9th grade students prepare for volunteer opportunities at the Museum of Flight.

For more information visit our website: <https://rahs.highlineschools.org/academics/career-center>

Email Contact - Renee Olsen at renee.olsen@highlineschools.org

Attendance

Current attendance concerns:

- Student absences on Monday advisory 8:30 AM
- Student absences on Wednesday advisory 12:30 to 1:30 PM
- Student period absences on Wednesday - students MUST complete the asynchronous work assigned

Teachers can ONLY report a student as Present or Absent; When a teacher reports a student absent:

- Mrs. H will email the **parent and the student** to notify the date and period an absence was recorded
- Students advocate when there are discrepancies

The attendance office is able to excuse an absence based on Parent contact: Please email: theda.hiranaka@highlineschools.org and include the below information:

- Student Name
- Date and period or periods of absence
- Reason for absence

PE and Art Contracts

- Graduation Requirements: 1.5 Physical Education; 2.0 Fine Art
- Contracts available for a wide range of activities
- PE is priority - Art credit available with RAHS classes
- 75 hours = 0.5 credit
- Max 1.0 credit each per year, capped once graduation requirement is met
- Complete within one school year, including summer
- Special (easier) contract rules during school closure - now's the time!
- More info and forms at:
 - www.tinyurl.com/rahs-contracts, also posted on Advisor Canvas pages
 - Forms can be completed and submitted electronically - no printing or scanning
- Questions? jacob.savishinsky@highlineschools.org

Advisory

The Goals of Advisory are to:

1. Foster a sense of community and positive relationships
2. Support academic achievement
3. Support post-secondary planning and access
4. Promote healthy development
5. Build positive parent-advisor connections

Student Involvement

- Lots of great and flexible options - find your fit
- It's science! Involvement supports success
- It's an expectation - an integral part of our program and experience

Sports of the mind: FIRST Robotics, Science Olympiad, Speech & Debate, Green Energy, ISSDC - also Turbulence Ultimate Frisbee!
