Stay tuned for what's next!

Principal's Phoenix Flyers:

Hello RAHS Families and Community –

Welcome to another week of remote learning – a challenge that our community is rising up to take on with grit, determination and perseverance. Although we never imagined this would be a current reality, I am proud of how hard everyone is working! Not only are our teachers working harder than ever to connect with every student and make sure students have the content information they need, our students are working behind the scenes as well!

Even though we cannot meet in person, our fabulous **ASB** is hosting a completely on-line Executive Election. Please read this message from President **Nattu Abraha**:

“As you may know, elections for ASB executive positions are scheduled to take place in a few weeks. If you haven't already gotten the chance to, we wanted to introduce you to all of your candidates for each position.

President Elect -
Jericho Encomienda (11)

Vice President -
Aaron Chang (10)
Maya Matta (11)
Matiyas Yared (11)

Treasurer -
Jibril Ali-Halane (11)
Theresa Tran (10)

Secretary -
Caleb Hyun (9)
Katie Pacini (10)

With school being closed for the remainder of the year, ASB elections will go completely virtual. We will be hosting two days of voting for candidates on April 30th, and May 1st. Students will be voting online and more information about how this will work will be shared to you all through our Instagram @rahspheoenix and other forms of communication, so look out for that!

Continue to stay safe, and remember that this is an especially important time to practice being kind and loving to one another (even though we're social distancing).”

Thank you also to students like **Nigel Barnett** who is working behind the scenes, using his 3D printing skills to create PPE equipment for healthcare workers. He is working with Washington State 3D Face Shield Hub to provide much needed equipment for our frontline medical workers. We are proud of you Nigel!

Please take care of yourselves and know that you are thought about daily.

Parents and Students- Emotional Well-being During the COVID-19 Outbreak: <https://tinyurl.com/s4mndkg>

Parents - PTSA Board Needs You! Raisbeck Aviation High School students do some amazing things! Without the support of the PTSA, Phoenix Force Robotics, Science Olympiad, Green Energy Solar Car as well as AP test fee assistance, teacher grants and so much more would not be possible. We need great people to lead the PTSA board to continue all of these great programs! If you have interest in serving on the board for the 2020/2021, please contact Phil Briscoe at president@rahsptsa.org or Siobain Eschweiler at secretary@rahsptsa.org.

Parents – Everyone who lives outside of the Highline School District must fill out a **Choice Transfer Request** for your student every year. Please go to <https://eds.ospi.k12.wa.us/ChoiceTransferRequest/> to fill out the request. For instructions on how to do this please check [here](#). The deadline for completing your transfer request is May 1, 2020. For any questions please contact Debi Tranholt at debi.tranholt@highlineschools.org.
